**SHOW CAUSE NOTICE**

**Mr. Mohammed Asif Sagir Ahemed Shaikh**, aged 38 years (D.O.B. 04.04.1981, residing at Baitulwafa, Building No.3/304, Almas Colony, Near Abdulla, Kausa, Mumra, Thane, Maharashtra – 400 612 (hereinafter referred to as the 'passenger'), holding an Indian Passport No. N0073791 had arrived at Sardar Vallabhbhai Patel International Airport, Ahmedabad from Dubai by Spicejet Flight No.SG-8 Indigo Airways flight No. 6E 072 dated 17.02.2020. The passenger was carrying one brown duffel bag and one big plastic cover containing blanket as checked-in-bag. The said passenger had opted for green channel. On the basis of suspicious movement of the passenger, he was intercepted at the exit of the green channel for personal search and examination of his baggage in the presence of panchas.

2. Whereas, the passenger was asked as to whether he was carrying any contraband or any dutiable goods in person or in the baggages. The passenger replied that he had nothing to declare. Thereafter, all his baggages were subjected to X-Ray screening at the X-Ray Screening machine installed at the Green Channel counter but nothing objectionable was found. Thereafter, the passenger was asked to walk through the Door Frame Metal Detector ("DFMD") installed near Customs AIU counter in the Arrival Hall. Prior to passing through the said DFMD, the passenger was asked to remove all the metallic objects wearing on his body. The passenger readily removed all metallic items and passed through the DFMD, when he passed through the DFMD, no alert sound was heard from the DFMD. The AIU officers politely asked the passenger whether he had any metallic substance on his body, however the passenger denied again. Further on personal search of his clothes, nothing was recovered. On suspicion that the passenger has concealed some metallic substance in his body, he was brought in the AIU office beside the Green Channel at Terminal-2 of SVPI Airport and was interrogated in a polite way, but the passenger continued to deny of having concealed any metallic substance inside his body. Thereafter on further and repeated interrogation, the passenger finally confessed that he had concealed some gold in his rectum and after sometime he was taken to toilet where he removed two black packets (in Cylindrical shape) from his rectum. The AIU officer asked the passenger to cut the said two packets and to open and showed it. Thereafter, the passenger used a knife to cut open the two packets

and it was seen that a brown coloured rubber capsule was underneath the adhesive tape. After cutting each of the Rubber capsule, a plastic pouch each containing brown coloured paste was found in it. On being asked by the Customs Officer, the passenger replied that it was gold in the form of semi solid paste which was concealed in his rectum for the purpose of carrying and concealing the material so that the same remained invisible to the Customs Officer. The photograph of the two black cylindrical shape packets recovered from the passenger's rectum was taken by the AIU officer in his mobile camera, which is placed below-

3. Thereafter, the Government Approved Valuer, Shri Kartikey Vasantrai Soni, was called upon by the Officers for examining the authenticity and to ascertain the contents of the brown colored material in semi solid form recovered from the passenger. Since it was in semi solid form, it was taken to the Valuer's workshop along with the panchas and the passenger, where Shri Kartikey Soni tested the said two pieces of semi solid paste which was weighing **374.900 grams**. After processing the said substance into solid gold, one piece of gold bar weighing **348.550 grams** derived from semi solid substance consisting of gold and chemical mix. He prepared the primary verification report detailed in **Annexure-A** and the valuation report for the same as detailed in **Annexure-B**, both dated 17.02.2020, wherein he certified that the item derived from two pieces of semi solid paste were made up of pure gold, Net weighing 348.550 grams (totally weighing **374.900 grams**) having purity of 999.0, valued at **Rs. 12,74,996/- (Rupees Twelve lakhs Seventy Four thousand Nine hundred and Ninety Six only) (Tariff Value)** and **Rs. 14,76,458/- (Rupees Fourteen lakhs Seventy Six thousand four hundred and fifty eight only) (Local Market Value)** which has been calculated as per the Notification No. 13/2020-Customs (N.T.) dated 14.02.2020 (Gold) and Notification No.11/2020-Customs (N.T.) dated 06.02.2020.

4. Whereas, the gold bar piece having net weight **348.550 grams** derived from the **374.900 grams** of Semi Solid substance Material consisting of Gold & Chemical Mix, having a tariff value of **Rs. 12,74,996/-** and local market value of **Rs. 14,76,458/-** as well as the black adhesive tape which was used to conceal the gold in paste form, were placed under seizure vide panchnama drawn on 17.02.2020. The seizure was made under the provisions of Customs Act, 1962, on the reasonable belief that the said goods were smuggled into India and was liable for confiscation.
