

OFFICE ORDER NO.21 /2021
DATED-14/10/2021

It has been noticed that some officers have left their station during the holidays/weekends without prior permission of the Commissioner. This is a matter of concern and is being viewed seriously. This is not only highly inappropriate behaviour on the part of officers concerned, but also a blatant violation of Service Rules.

Henceforth, all Group A officers of the Commissionerate are directed to seek permission of the Commissioner for station leave. The AC/DCs shall route the application through their respective supervisory JC/ADC along with their recommendation for obtaining prior permission of the Commissioner for station leave.

This is issued with approval of the Commissioner, Customs Ahmedabad.
